B

**Service Center
Action -
California and
Mississippi Only
(Continued)**

Allocations and/or CCC-1200's that have been processed in fund codes 0650/1999 or 2825/1999 shall be transferred to 0603/1999 or 2819/1999, respectively, using the steps in the following table:

- after installing County Release No. 411
- before installing County Release No. 412.

Important: It is imperative that allocations and/or CCC-1200's in either of these fund codes be transferred **before** County Release No. 412 is installed. The LASTJOB of this release will delete fund codes 0650/1999 and 2825/1999. Any nontransferred information will no longer be accessible.

Note: For the purpose of this table, fund codes 0650/1999 and 2825/1999 are referred to as "original" fund codes, and 0603/1999 and 2819/1999 are referred to as "replacement" fund codes.

Step	Action
1	Print CCC-1200 Status Report, EEB715-R001, for the "original" fund code according to 2-CONSV, paragraph 144. This report will be used as a basis for determining which CCC-1200's need to be transferred.
2	Change the fund codes only on all active CCC-1200's that have not been approved, according to 2-CONSV, paragraphs 51 through 54. Note: These are CCC-1200's having a blank or "Selected" in the Status column of Report EEB715-R001 printed in step 1.
3	Reinstate all disapproved, deferred, and canceled CCC-1200's according to 2-CONSV, paragraph 134. Note: These are CCC-1200's having "Disapproved", "Deferred", or "Canceled" in the Status column of Report EEB715-R001 printed in step 1.
4	Change the fund code to the "replacement" fund code on all reinstated CCC-1200's (from step 3) according to 2-CONSV, paragraphs 51 through 54.
5	Disapprove, defer, or cancel the reinstated CCC-1200's now in the "replacement" fund code to match the status as shown on the Report EEB715-R001 printed in step 1. See 2-CONSV, paragraph 131, 132, or 133.

C
Service Center
Action - Except
California and
Mississippi

This subparagraph applies to all other Service Centers serving counties with new fund codes.

After County Release No. 411 has been installed, Service Centers shall:

- make applicable fund codes eligible on the county eligibility table according to 2-CONSV, paragraph 14
- enter into the system, as applicable:
 - manual CCC-1200's, according to 2-CONSV, Part 3, Section 1

Note: If CCC-1200's for FY 1999 fund codes have been processed using existing 1998 fund codes, update those CCC-1200's to reflect the correct FY 1999 fund code according to 2-CONSV, Part 3, Section 2.

- allocations when received from the State Office according to 2-CONSV, paragraph 302.

2 New FY 1999 EQIP Fund Codes Contained in County Release No. 411 (Continued)

D

State Office

This subparagraph applies to California and Mississippi State Offices only.

Action -

California and

Mississippi Only

After County Release No. 411 has been installed on the State system, immediately transfer all allocations recorded in 0650/1999 and 2825/1999, as applicable, to 0603/1999 and 2825/1999, respectively. This includes State allocation, county allocations, and C/S reserves.

Allocation transfers must be completed before County Release No. 412 is installed, as that release removes 0650/1999 and 2825/1999 from the CCC county eligibility table. Any allocation remaining in these fund codes cannot be accessed after County Release No. 412 is installed.

Notify affected Service Centers to decrease FY 1999 fund code 0650/1999 and 2825/1999 allocations to zero in time to allow the completion of the actions described in subparagraph B before installation of County Release No. 412.

Suggestion: Request that affected Service Centers transmit a Conservation 305 State Committee report to verify that funds are transferred to the proper fund codes before County Release No. 412 is installed.

E

State Office

This subparagraph applies to all other State Offices with new fund codes.

Action - Other

States

Process allocations normally after installing County Release No. 411 on the State System.

4 FY 1999 EQIP Fund Code Removals

A

Applicability

This subparagraph applies to California and Mississippi only.

B

Fund Code Removals

The following table provides a list of existing FY 1999 EQIP fund codes which will be removed from the CCC county eligibility table by County Release No. 412.

Fund Code	Description
0650/1999	Willow Slough/Cache Creek
2825/1999	Sardis Reservoir

Important: The State Offices and Service Centers which are associated with either of these 2 fund codes shall ensure that all activity has been transferred to the "replacement" fund codes according to paragraph 2 of this notice before County Release No. 412 is installed.
